

Green Label Tea

Characteristics with a strong and bright cup of tea.

Available in 3, 5, 10, 50 gram pouches, 50, 100, 250, 500 gram packets, and 1kg bag

Simba Chai

Full bodied high quality locally grown tea.

Available in 3, 10 gram sachets and 50, 100, 250 gram packets

Simba Chai (Tangawizi)

Ginger's ability to improve the immune system and blood circulation combined with the antioxidants qualities of tea producing a potent, fresh brew to be enjoyed any time of the day.

Available in 2.5 gram sachets, 50 gram packets and 100 gram Tea bags

Safari Tea

Carefully blended black teas from the Iringa & Tanga regions create a punchy and full-bodied brew. Many like it best with milk.

Great to start a busy day.

Available in 100, 250 gram packets

Chai Maruuf

Made of the tenderly plucked from two leaves and a bud. It is zesty and full of vitality, with a light golden liquor.

Available in 250 gram packets

We have over 47 years experience in blending fine quality teas & the worlds finest instant coffee "Africafe". Established in 1963, offering some of the best teas & coffees available in Tanzania.

Our experience as tea blenders & manufacturers allow us to supply a wide range of tea leaves & tea bags.

Afri Tea and Coffee Blenders (1963) Ltd supplies tea & coffee wholesale and retail.

The major activities of the company include:

- blending and packing tea
- packing instant coffee powder
- roasting, grinding and packing coffee
- marketing and selling the company's products.

Production Capacity

The Tea Blending & Packing Factory has a capacity of more than 3600MT per annum. Equally the production capacity for the Instant Coffee powder is more than 300MT per year while that of Roasted Coffee and Ground Coffee is more than 750MT per year.

We use the latest technology and the most modern machines. We have a well equipped factory and production is done in most hygienic conditions under strict supervision.

Quality

All our products pass through a strict quality control test. All our range of products have been certified by Ms/ Tanzania Bureau of Standards. We are ISO 9001:2008 certified company.

It is therefore correct to assert that our products meet international quality standards. The company was awarded in 2002 the "Arch of Europe" award in Frankfurt, Germany for its high quality products.

Exports

Currently we are exporting to Japan, Kenya, Uganda, Zambia, Dubai, Russia, Denmark, Germany and North America, and plans to export to United Kingdom, The Netherlands, Sweden, New Zealand, Sudan, Yemen, Oman and Canada.

AFRI TEA AND COFFEE BLENDERS (1963) LTD.

"From a palette of **Finest Quality Tea**, hand picked from abounding tea gardens of Africa, our products are **Meticulously Designed** and **Expertly Blended** to offer an exceptional taste experience infused into every cup of tea.

In an age of artifice, sharing a simple cup of naturally flavorful tea can change the world, one moment at a time."
